Personal Statement

Motivated and hardworking throughout any production with experience in a variety of formats. I have a real passion for cameras and lighting, and a strong technical mind. Working as a Camera Technician in the past, I have gained extensive knowledge in the camera department operations and I am confident in working with a variety of technical equipment. I am always looking to improve the quality of my work by emerging creative thinking and technical skills. I am friendly and easy going yet professional, and I adapt well in different environments and shooting situations.

Key Skills

- CAA Approved Commercial DRONE Operator
- Experience as a Camera Technician in rental house
- Solid knowledge of all broadcast camera formats
- Data Management & DIT on location
- Experienced working in remote locations and Arctic conditions
- Equipment experience: Arri Amira, Arri Alexa, F55/F5, PDW-F800, PMW-500, PMW-200, PXW-FS7, FS700, A7S, C300, XF305, 5D MKIII
